The Contract supersedes and extinguishes all previous agreements, promises, assurances, warranties, representations and understandings between the parties, whether written or oral, relating to its subject matter. Each party acknowledges that in entering into the Contract it does not rely on, and shall have no remedies in respect of, any statement, representation, assurance or warranty (whether made innocently or negligently) that is not set out in the Contract.

2.2 No variation of the Contract shall be effective unless specifically agreed in writing by an authorised signatory of Aggreko and of the Hirer.

2.3 In the event of any inconsistency between any of the documents forming part of the Contract, the Quotation shall prevail against all other such documents. These Conditions shall prevail against the IOW Document.

2.4 To the extent that the Quotation specifies (or Aggreko and the Hirer otherwise agree in writing) that any Services are to be performed by, or be the responsibility of, Aggreko, any provision of these Conditions which provides for it to be performed by, or be the responsibility of, the Hirer shall not apply to that extent.

3. PLANT HIRE, SERVICES AND HIRE PERIOD

- 3.1 Aggreko shall hire the Plant to the Hirer for use at the Site and provide the Services to the Hirer at the Site subject to the terms and conditions of the Contract.
- 3.2 Aggreko shall not, other than in the exercise of its rights under the Contract or applicable law, interfere with the Hirer's quiet possession of the Plant.
- 3.3 The Hire Period starts from the time from when the Plant leaves Aggreko's nominated depot (or place where otherwise despatched) and shall continue, unless the Contract is terminated earlier in accordance with its terms, until the Plant is received back at Aggreko's nominated depot. The minimum Hire Period shall in any event be one (1) Week (unless specified otherwise in the Quotation or agreed otherwise in writing between the parties).
- 3.4 Subject always to Clauses 3.5 and 17, Aggreko may (at its own cost, subject to Clauses 11.2 and 11.3), without incurring any liability to the Hirer, or giving any right of termination to the Hirer, in respect of or in connection with such recall so long as there is no material interruption in the service provided to the Hirer (other than a reasonable period to allow for disconnection of the recalled Plant and connection of the substitute Plant), recall any or all Plant and substitute equivalent Plant for such recalled Plant, upon giving thirty (30) calendar days' written notice to the Hirer.
- 3.5 Subject to Clause 17, in the case where the hiring which is the subject of the Contract is an indefinite hiring and is not for an agreed fixed period, the Contract may be terminated by either the Hirer or Aggreko on giving not less than one Working Day's written notice to the other (provided that the same shall not expire prior to the end of any agreed minimum hire period).

4. CHARGES

- 4.1 The Hirer shall pay the Charges to Aggreko.
- 4.2 Unless otherwise agreed in writing, Aggreko shall invoice the Hirer following completion of the Hire Period, provided that where the Hire Period for any Plant exceeds four (4) Weeks Aggreko shall invoice the Hirer every four (4) Weeks in arrears and following completion of the Hire Period; and the Hirer shall pay each invoice submitted by Aggreko in full within thirty (30) calendar days of the date of the invoice.

- 4.4 If the Hirer fails to make any payment due to Aggreko under the Contract by the due date for payment, then, without limiting Aggreko's remedies under Clause 17, the Hirer shall pay interest on the overdue amount at the rate of 8% per annum above the European Central Bank base rate from time to time. Such interest shall accrue on a daily basis from the due date until actual payment of the overdue amount, whether before or after judgment. The Hirer shall pay the interest together with the overdue amount.
- 4.5 All amounts due under the Contract shall be paid in full without any set-off, counterclaim, deduction or withholding (other than any deduction or withholding of tax as required by law). Aggreko may at any time, without limiting its other rights or remedies, set off any amount owing to it by the Hirer against any amount payable by Aggreko to the Hirer.
- 4.6 The Hire Charges, Transport Charges and Services Charges specified in the Quotation and are fixed for the Expected Hire Period. Unless otherwise stated in the Quotation, Aggreko reserves the right, upon giving the Hirer at least four (4) Weeks' notice, to vary such the Hire Charges, Transport Charges and Services Charges so as to reflect increases in Aggreko's own cost of goods, materials and labour, and any other relevant factors, if the Contract is extended beyond the Expected Hire Period.
- 4.7 Where Aggreko is providing fuel or fuel management services, Aggreko reserves the right to vary the Fuel Charges specified in the Quotation on a weekly basis with reference to movements in the applicable fuel index (or any similar measure of market fluctuations).

Risk shall transfer in accordance with Clause 13.

- 5.2 The Hirer shall be responsible for the unobstructed access and egress at the Site and Delivery Place and, unless otherwise agreed in writing, for unloading and loading of the Plant at the Delivery Place. Personnel supplied or contracted by Aggreko for unloading and/or loading shall do so as agents of the Hirer and under the Hirer's direction and control. Any period agreed by the parties for installation of the Plant shall not commence until the Hirer has completed such unloading and located the Plant in its required position.
- 5.3 Subject to Clause 5.6, the cost of and responsibility for arranging Delivery and subsequent collections shall be as specified in the Quotation. Unless Aggreko has agreed in the Quotation to supply craneage, if a crane or other lifting equipment is required for the safe and proper delivery of any Plant, the Hirer will be responsible for the provision and cost of the same. The Hirer shall give Aggreko not less than one (1) Working Day's prior written notice of off-hire the Plant.
- 5.4 The Hirer shall carry out a reasonable visual inspection of the Plant on, or as soon as reasonably practicable after, Delivery and shall promptly (and in any event within three (3) Working Days) notify any apparent damage or defects to Aggreko.
- 5.5 Unless notification in writing to the contrary is received by Aggreko from the Hirer within three (3) Working Days of the date of Delivery, all Plant shall be deemed to have been timeously Delivered in good condition, complete and fit in every way for the purpose for which it is intended and to the Hirer's satisfaction (save as regards any inherent fault or a fault not ascertainable by reasonable examination in accordance with Clause 5.4), provided that where Aggreko is responsible for installing and/or commissioning the Plant on Site, the period stated above shall be calculated from the date of completion of installation and/or commissioning (as applicable) of the Plant.
- 5.6 Subject to Clause 11, in the event that the Plant is required to be transported from the Site for the purpose of repair owing to damage or Breakdown, the cost of which is to be met by Aggreko in terms of the Contract, then the cost of such transport shall be met by Aggreko. In the event that the cost of such repair is to be met by the Hirer in terms of the Contract, then the cost of such transport shall be met by the Hirer. The cost of transporting replacement Plant to the Site shall be borne by the relevant party on the same basis.

6. INSTALLATION, COMMISSIONING AND USE

- 6.1 Unless the Quotation specifies that the installation, commissioning, operation/watch keeping, de-commissioning and/or de-installation of the Plant (as applicable) are to be performed by, or be the responsibility of, Aggreko (or it is otherwise agreed in writing that any such obligations are to be performed by an Aggreko engineer) the Hirer shall:
 - (a) carry out the safe and proper installation, commissioning, de-commissioning and de-installation of the Plant in accordance with the ETCI Regulations, the SHWW and all other applicable laws and regulations;
 - (b) carry out the termination at any connection point between the Plant and the Hirer's network/system in accordance with the ETCI Regulations, the SHWW and all other applicable laws and regulations;
 - (c) ensure the use and operation of the Plant in conformity with its specification, Aggreko's operating instructions, the ETCI Regulations, the SHWW and all other applicable laws and regulations;
 - (d) ensure that the Plant is not used or operated for any purpose beyond its rated capacity or in a manner likely to result in deterioration of the Plant (except normal wear and tear);
 - (e) in the event of a leak spill or dispersal, immediately implement control measures to prevent, limit or reduce the impact;
 - (f) keep itself acquainted with the condition of the Plant and shall not use or operate it after it has become defective, damaged or in a dangerous state or in a state which results in a breach of any applicable law or regulation and if the Hirer or any employee, contractor or agent of the Hirer does operate the Plant in such condition then the Hirer shall be

solely responsible for any damage, loss or accidents resulting therefrom; and

- (g) carry out a visual inspection of the Plant (including all connection points) and leak identification checks on a daily basis and ensure that consumable levels (including fuel, oil and lubricant, coolant, refrigerant and chilled water treatment chemicals (as applicable)) in the Plant are checked daily and that these are kept at the level required for the proper operation of the Plant.

- 6.2 Unless the Plant is hired on the basis of unlimited running hours, as soon as reasonably practicable after the end of each Week during the Hire Period, the Hirer shall render to Aggreko an accurate statement of the number of hours the Plant has worked each calendar day in that Week. Where the Plant is accompanied by an Aggreko engineer, the Hirer or its representative shall sign the engineer's time record sheets daily or weekly and the signature of a representative of the Hirer shall bind the Hirer to accept the hours shown on the time record sheets.
- 6.3 To the extent that the Quotation specifies (or Aggreko and the Hirer otherwise agree in writing) that the installation, commissioning, operation/watch keeping, de-commissioning and/or de-installation of the Plant (as applicable) are to be performed by, or be the responsibility of, Aggreko, Aggreko shall carry out the same in accordance with Aggreko's standard practice, the ETCI Regulations, the SHWW and all other applicable laws and regulations.

7. MAINTENANCE AND SERVICING

- 7.1 Subject to Clause 7.4, Aggreko shall, either itself or via a subcontractor, provide routine maintenance and servicing of the Plant during the Hire Period in accordance with Aggreko's standard practice. The Hirer shall make the Plant available to Aggreko for the purpose of carrying out maintenance and servicing (whether routine or otherwise) within one (1) Week of Aggreko advising the Hirer of such maintenance and servicing being due. During Normal Working Hours Aggreko will make no charge to the Hirer for any routine maintenance and servicing but if the Hirer can only make the Plant available for this purpose outside Normal Working Hours then Aggreko reserves the right to charge the Hirer for overtime costs in accordance with the rates set out in the Quotation.
- 7.2 If scheduled maintenance and servicing is not carried out within one (1) Week of Aggreko advising the Hirer of such maintenance and servicing being due, Aggreko shall not be responsible for any Breakdown which is attributable to such denial of or delay in access and the Hirer shall compensate Aggreko for additional wear, tear and damage to the Plant by paying the full cost of both the next service and any consequent repairs which are attributable to such failure to service the Plant.
- 7.3 The maintenance and servicing schedule for the Plant is determined by the running hours of the Plant. Where the Plant is hired on the basis of limited running hours in a Week, if the actual running hours of the Plant in a Week exceed the agreed limit for that Week and the Hirer fails to provide notification in accordance with Clause 6.2, Aggreko shall not be responsible for any Breakdown which is attributable to a missed or extended service interval and the Hirer shall compensate Aggreko for additional wear, tear and damage to the Plant by paying the full cost of both the next service and any consequent repairs which are attributable to a missed or extended service interval.
- 7.4 If Aggreko and the Hirer have agreed in writing that the Hirer will be responsible for routine maintenance and servicing, then Clauses 7.1 and 7.3 shall not apply and the Hirer shall at its own cost maintain and service the Plant in accordance with Aggreko's maintenance instructions and service schedule. Aggreko will in such circumstances provide the Hirer with a copy of such maintenance instructions and service schedule and any relevant consumables specifications at the same time as the Plant is Delivered to the Hirer.

8. BREAKDOWNS

- 8.1 Any Breakdown must be notified immediately to Aggreko and for this purpose no notification shall be effective unless and until it is actually received by Aggreko. The Hirer shall not attempt to remedy any Breakdown or effect any repairs himself or engage any third party to carry out any repairs except with the express written authority of Aggreko.
- 8.2 Subject to Clauses 7, 11 and 12, Breakdowns resulting from a breach of the warranties in Clause 14.1; proper ordinary usage; fair wear and tear; the development of an inherent fault; or a fault not ascertainable

by reasonable examination by the Hirer in accordance with Clause 5.4 shall, at Aggreko's option, either (a) be repaired by Aggreko at Aggreko's expense and with the least reasonably practicable delay; or alternatively (b) if Aggreko considers (acting reasonably) that repair would not be practicable or cost effective, Aggreko shall replace the relevant Plant (or part thereof) at its own expense and with the least reasonably practicable delay, and the Hirer shall not be charged for the hire of the item of Plant that has suffered a Breakdown from the date of its notification of the Breakdown to Aggreko until such item of Plant has been repaired or replaced (as applicable).

- 8.3 Without prejudice to Clause 7, any Breakdown not falling within Clause 8.2 may, at Aggreko's option, either (a) be repaired by Aggreko at the Hirer's expense; or alternatively (b) if Aggreko considers (acting reasonably) that repair would not be practicable or cost effective, Aggreko may replace the relevant Plant (or part thereof) at the Hirer's expense, in each case without prejudice to the obligation of the Hirer to pay any Charges due to Aggreko under the Contract while the Plant is idle owing to any such Breakdown and until repair or replacement (as applicable) is completed.
- 8.4 Notwithstanding the foregoing provisions of this Clause 8, if repair is impracticable and if replacement Plant is not available Aggreko may terminate the hiring of the affected Plant forthwith and will not have any liability whatever to the Hirer for such termination or any consequences of such Breakdown or termination.
- 8.5 If there are stoppages outside Aggreko's control, Aggreko will not accept any relief from the Charges (except to the extent that such stoppages arise as a direct result of a Force Majeure Event) or any other claims however they arise.

9. SITE CONDITIONS AND ACCESS

- 9.1 The Hirer is solely responsible for ground conditions at the Delivery Place and the Site. The Hirer shall at its own cost provide a suitable area for the lay down, installation and operation of the Plant and shall ensure that the Delivery Place and the Site is levelled, graded, compacted and free from debris, structures and obstructions. If the ground at the Delivery Place and the Site is soft or unsuitable for the Plant to work on or travel over, the Hirer shall at its own cost supply and lay an aggregate / hardcore base with gravel finish, or a concrete pad, in accordance with Aggreko's specifications in a suitable position.
- 9.2 Unless otherwise agreed in writing, the Hirer at its own cost shall carry out any other civil engineering and related works required at the Site for the Delivery, installation and operation of the Plant in accordance with Aggreko's specifications, including (where applicable) the installation of cable trenching and drainage.
- 9.3 Notwithstanding any other provision of the Contract, the Hirer shall be solely responsible for the cost of recovering any Plant from soft ground and shall, where required to do so by Aggreko, make arrangements for such recovery.
- 9.4 The Hirer is responsible for the security of the Plant during the Risk Period, and shall take all appropriate measures to secure the Plant at the Delivery Place and the Site.
- 9.5 The Hirer shall allow Aggreko's employees, contractors, agents and insurers access (including vehicle access) to the Plant at all reasonable times to inspect, test, adjust, maintain, service, repair or replace the same. The Hirer shall be responsible for providing safe and proper access both for such purposes and for delivery and collection of the Plant. If access is denied or delayed, any obligation of Aggreko to deliver the Plant on a specified date or within a specified period; or provide an Aggreko engineer on Site and/or remedy any Breakdown, in each case within a specified period, shall be modified by extending the relevant period by such time as Aggreko considers is reasonably necessary to take account of such denial of or delay in access.

10. CONSUMABLES AND WASTE

- 10.1 Unless otherwise specified in the Quotation, all consumables (including fuel, oil and lubricants, coolant, refrigerants, chilled water treatment chemicals and filters) shall be supplied by Aggreko.
- 10.2 All consumables (including fuel, oil and lubricants, coolant, refrigerants, water treatment chemicals and filters) shall, when supplied by the Hirer, be of a grade and type specified by Aggreko.

10.3 The Hirer shall be responsible for disposal of all waste including used consumables, drums and hazardous waste, in a manner that meets all applicable laws.

11. OFFSHORE CONTRACTS

11.1 In the case of an Offshore Contract, the provisions of this Clause 11 shall amend or replace the other provisions of these Conditions as follows.

11.2 The Hirer shall be responsible at its own cost for transporting the Plant between the Onshore Supply Base and the offshore Site, regardless of the reason why such transport is required, and unloading and loading of the Plant at the offshore Site.

11.3 The Hirer shall be responsible at its own cost for transporting Aggreko's and its subcontractors' employees (including medi-vac transportation) between the Onshore Supply Base and the offshore Site, regardless of the reason why such transport is required.

11.4 All offshore transport of the Plant and Aggreko's and its subcontractors' employees shall be provided in accordance with the agreed project timetable (including enabling Aggreko (or its subcontractor) to carry out maintenance and servicing of the Plant during the Hire Period in accordance with Aggreko's standard practice and service schedule).

11.5 Aggreko shall not be in breach of contract by reference to any required period for the transport of personnel or equipment between the Onshore Supply Base and the offshore Site, or by reason of such transport not being immediately available at or from the Onshore Supply Base.

11.6 Unless otherwise agreed in writing, where the Contract requires Aggreko's or its subcontractors' employees to work at an offshore Site, the Hirer shall arrange at its own cost any required qualifications and training which would not be required were the Site to be located onshore.

11.7 In the event of a Breakdown which requires the attendance of an Aggreko engineer, Aggreko shall arrange for such engineer to attend the Onshore Supply Base, and the Hirer shall arrange for such engineer to be transported to the offshore Site, with the least possible delay. In the event that Aggreko determines that the Plant requires to be returned to the Onshore Supply Base or to Aggreko's depot to repair such Breakdown, or that the Plant requires to be replaced, the Hirer shall arrange for the relevant Plant to be transported between the offshore Site and the Onshore Supply Base at its own cost and with the least possible delay.

12. LOSS OR DAMAGE / DUTY TO RETURN

12.1 The Hirer shall:

- (a) not permit the Plant to be used near salt water, salt spray, salt laden air or hazardous materials; or situated in an environment liable to be open to dust ingress or fine metallic substances without the prior written consent of Aggreko;
- (b) notify Aggreko prior to commencement of the Hire Period of any bacteria, viruses, parasites, contaminants, corrosion, debris or other hazardous substances or materials present in the Hirer's temperature control system or plant;
- (c) notify Aggreko of any bacteria, viruses, parasites, contaminants, corrosion, debris or other hazardous substances or materials that are discovered in the Hirer's temperature control system or plant during the Hire Period; and
- (d) not introduce any coolant, refrigerants, water treatment chemicals or other consumables to the temperature control system comprised of or incorporating the Plant without giving reasonable prior written notification to Aggreko.

12.2 The Hirer shall deliver up the Plant at the end of the Expected Hire Period (unless extended in writing), on recall of the Plant under Clause 3.4 or on earlier termination of the Contract (the "Return Date") at such address as Aggreko requires, or if necessary allow Aggreko or its representatives access to the Site or any premises where the Plant is located for the purpose of removing the Plant. The Plant shall be returned to Aggreko in good working and cosmetic condition, fair wear and tear excepted, and when Plant includes cable, the Hirer shall be responsible for recoiling cable on drums supplied.

12.3 If the Hirer returns any of the Plant on the Return Date other than in such condition for any reason whatsoever (whether or not involving any negligence or other fault on the part of the Hirer or its employees, contractors or agents but save in so far as caused by Aggreko or its employees, contractors or agents) or should damage occur to any of the Plant owing to (a) failure by the Hirer to observe any terms of the Contract, (b) negligence or misuse by the Hirer or its employees, contractors or agents or (c) wilful or accidental damage however occurring, then the Hirer shall be liable to Aggreko for:

- (i) the full cost of any repairs which Aggreko shall deem necessary or desirable; or
- (ii) if Aggreko considers (acting reasonably) that such repairs would not be practicable or cost effective, the whole cost of replacement of such Plant with equivalent new Plant.

12.4 If the Hirer fails to return any of the Plant on the Return Date for any reason whatsoever (whether or not involving any negligence or other fault on the part of the Hirer, its employees, contractors or agents), then the Hirer shall be liable to Aggreko for the whole cost of replacement of such Plant with equivalent new Plant.

13. TITLE, RISK AND INSURANCE

13.1 The Plant is and shall at all times remain the property of Aggreko, and the Hirer shall have no right, title or interest in or to the Plant (save the right to possession and use of the Plant subject to the terms and conditions of the Contract). The Plant shall not be moved from or within the Site without the prior written consent of Aggreko.

13.2 The Hirer shall:

- (a) not remove or deface any plate or marking on the Plant identifying Aggreko as the owner of the Plant, make any alteration to the Plant or remove any existing component(s) from the Plant;
- (b) not part with control of (including for the purposes of repair or maintenance), sell or offer for sale, rehire, underlet or lend the Plant or allow the creation of any mortgage, charge, lien or other security interest in respect of it;
- (c) not do or permit to be done any act or thing which will or may jeopardise the right, title and/or interest of Aggreko in the Plant; or
- (d) not suffer or permit the Plant to be confiscated, seized or taken out of its possession or control under any distress, execution or other legal process, but if the Plant is so confiscated, seized or taken, the Hirer shall notify Aggreko and the Hirer shall at its sole expense use its best endeavours to procure an immediate release of the Plant.

Without prejudice to Clause 16, the Hirer shall indemnify Aggreko and hold Aggreko fully indemnified against, upon Aggreko's written demand, all losses, damage, costs, charges and expenses arising as a result of failure to comply with this Clause.

13.3 The risk of loss, theft, damage or destruction of the Plant shall pass to the Hirer on Delivery. The Plant shall remain at the sole risk of the Hirer during the Hire Period and any further term during which the Plant is in the possession, custody or control of the Hirer (including transport to and from the Site and within the Site; and unloading/loading at the Site where this is the responsibility of the Hirer) (the "Risk Period") until such time as the Plant is redelivered to Aggreko. During the Hire Period and the Risk Period, the Hirer shall, at its own expense, obtain and maintain the following insurances:

- (a) insurance of the Plant to a value not less than its full replacement value against all usual risks of loss, damage or destruction by fire, flood, theft, vandalism or accident, and such other risks as Aggreko may from time to time nominate in writing;
- (b) insurance for such amounts as a prudent owner or operator of the Plant would insure for, or such amount as Aggreko may from time to time reasonably require, to cover any third party or public liability risks of whatever nature and however arising in connection with the Plant.

13.4 The Hirer shall be responsible for paying any deductibles due on any claims under such insurance policies; and any insurance monies recovered by the Hirer under such insurance policies shall, to the extent deemed necessary by Aggreko, be applied as directed by Aggreko.

13.5 Unless the Hirer has purchased the IOW, evidence of the Hirer's insurance shall be supplied by the Hirer to Aggreko forthwith on request by Aggreko and in any event prior to the start of the Hire Period.

- 13.6 Notwithstanding Clause 13.5, if evidence of insurance for loss, damage or destruction of the Plant under Clause 13.3(a) is not provided by the Hirer prior to the start of the Hire Period, Aggreko shall be entitled to charge for the IOW in addition to any other Charges.
- 13.7 The IOW, if purchased, means that the Hirer is not obliged to provide its own insurance against loss of or damage to the Plant under Clause 13.3(a), and will be liable for loss of or damage to the Plant as set out in Clauses 13.8, 13.9 and 13.10. The IOW applies only to loss of or damage to the Plant (excluding ducting, hoses, cable and cable storage) and does not relieve the Hirer from its other insurance obligations referred to in Clause 13.3. Further details are contained in the IOW Document.
- 13.8 The Hirer's attention is specifically drawn to its obligations pursuant to Clauses 7, 8, 12 and 16, which shall apply notwithstanding the provision of insurance by the Hirer or the purchase of the IOW, provided that if the Hirer has purchased the IOW then (subject to Clauses 13.9 and 13.10) the Hirer's liability in respect of parts and labour for loss of or damage to an item of Plant under Clauses 8, 12 and 16 (including for fire and theft) shall be limited to €1500 per incident per item of Plant.
- 13.9 Ducting, hoses, cable and cable storage provided as part of the Plant are excluded from cover under the IOW. Accordingly, the Hirer's liability under Clauses 7, 8, 12 and 16 for loss of or damage to any ducting, hoses, cable or cable storage forming part of the Plant shall not be limited by the IOW.
- 13.10 There is no limitation or exclusion of liability under the IOW for (a) damage to any of the Plant caused by the Hirer's deliberate, wilful or malicious acts or omissions; (b) damage to any of the Plant caused by any delay or failure by the Hirer to make the Plant available to Aggreko for the purpose of carrying out maintenance or servicing (routine or otherwise); or (c) transport costs associated with the repair or replacement of any Plant.
